

The background is a light blue surface covered with a repeating pattern of various tropical fruits and plants. The items include slices of watermelon with red flesh and green rinds, halves of papaya showing orange flesh and black seeds, green lime slices, yellow lemon wedges, whole oranges, and purple dragonfruit halves with white flesh and red skin. There are also green leaves, including a large palm frond at the bottom center, and small white flowers with yellow centers.

The Cheapest Link

-the cheapest stores near you

Our updated Idea

- We will implement a web-app that finds the store with the cheapest product
 - Users types in the product they need
 - The web-app returns the store that sells this product for the cheapest price
 - To type in a new product the user can press a button to go back to the home page
